

WHY HOLLYWOOD?

Although our unsolicited testimonials speak for themselves, here are the most important reasons to make **The Hollywood Band** your entertainment choice above all others:

- **VALUE**

The caliber of our musicians, their vast professional experience, and dedication to making your event a memorable one, all enable The Hollywood Band to provide the most value for your entertainment dollar. And because we're competitively priced, you definitely get more than you pay for.

- **SET REHEARSED**

Imagine...a live band seamlessly flowing from one song to the next like a Virtual DJ! We hand pick just the right sets for every event. Clients constantly tell us that Hollywood sounds as good as, or *better* than the original recordings.

- **WE'RE SPECIALISTS**

Whenever you have a specific need, you usually seek out a specialist. The same holds true when selecting entertainment. With a combined total of over 70 years in the business, Hollywood specializes in making any event great. So don't entrust your affair to just any club band or DJ- let us do what we do best for you!

- **ATMOSPHERE**

There's nothing like a live band to create an air of sophistication, elegance...and fun! The Hollywood Band knows how to set the right mood for any event. Remember, your choice in entertainment will make or break your special affair. By allowing us the opportunity to perform for you, we will help "make" your event one that will be remembered for years to come.

- **SERVICE**

Every member of Hollywood is personable, attentive, accommodating, and completely at your service at all times. Professional service and attention to detail are our hallmarks. Our clients often mention that working with Hollywood is worry free! To us, it's all about your comfort and peace of mind.

- **WE LOVE WHAT WE DO...**

...and it shows! The Hollywood Band is very selective, only performing a limited number of engagements. We do not overextend ourselves like many other bands/agencies. This is to ensure that the performance and music are always fresh, lively, and exciting. Our enthusiasm and excitement carries over to you and your guests!
